

A stylized illustration of a city street scene. The buildings are rendered in a dark blue and black color palette with white outlines. Green bushes and trees are scattered throughout the scene, adding a touch of nature. The background is a dark blue with a fine, repeating pattern of small white dots.

Join the Movement. Make hash, not War!

Join **FMS**, actually one of the most important international cannabis events in the world. **With participants and judges from over 27 countries and 6 editions done over 4 continents.**

Our different and very unique concept has already reached great audience and within last editions became widely known and popular. Connecting community and professionals is our passion and main goal along with spreading the hash culture all over the planet Earth and one day even further to the **Space and Moon.**
